Dear Sir or Madam:

Campaign for Change (Cmte ID # C00441501) submits this Miscellaneous Document to supplement its Mid-Year report.

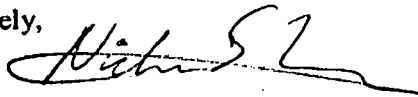

In winding down its activities in anticipation of termination, Campaign for Change became aware that the cash balance on its reports to the Federal Election Commission does not match that shown on Committee financial records. The committee engaged a legal and compliance provider with significant FEC experience to review its records and identify the reasons for this discrepancy.

The bulk of the discrepancy resulted from the committee's incorrect reporting of periodic unrealized market value fluctuations in its securities investments as gains and losses. In addition, there were a number of disbursements reported in duplicate and one receipt and several disbursements that had not been reported. The combination resulted in a reduction of cash in the amount of \$90,666.72.

A schedule of the necessary corrections is attached to this letter. The schedule supports the cash correction that is noted in our amended 2014 Year End report.

Should you have any questions, please feel free to contact the Committee.

Sincerely,

Nickolai S. Bobrov  
Assistant Treasurer
